

## 2021 LeRoy Razzasque Days Covid-19 Guidelines:

Dear Festival Participants,

Due to the current situation with the pandemic, and to prevent the spread of COVID-19, the 2021 Razzasque Days festival has been scaled down. On behalf of the festival coordinators, we are striving to put on a fun and safe weekend for all to enjoy. We have worked with local officials and created guidelines to keep patrons safe and healthy during our festival.

We ask that all patrons remain 6 feet apart and follow social distancing guidelines with those that are not within your household.

The beverage tent will be in a fenced in area with a capacity that will be in accordance with the CDC and MDHHS guidelines at the time of the event. Seating will be spaced 6 feet apart with ample room for walking. Lines to obtain a beverage will be spaced by X's on the ground. Furthermore, there will be hand sanitizing stations within various locations in the beverage tent and the entire festival area.

If you have any symptoms of Covid-19 including, but not limited to, fever, sore throat, chills, loss of taste or smell, unexplained aches, cough, shortness of breath, headache, nausea, vomiting, diarrhea, congestion or runny nose, we ask that you please not attend any festival activities.

Thank you for your cooperation in helping keep our community as safe as possible.

Sincerely,

*Cody Steinhaus*
